"Do it yourself" ("DIY") is the method of building, modifying, or repairing things by oneself without the direct aid of professionals or certified experts. Academic research has described DIY as behaviors where "individuals use raw and semi-raw materials and parts to produce, transform, or reconstruct material possessions, including those drawn from the natural environment (e.g., landscaping)". DIY behavior can be triggered by various motivations previously categorized as marketplace motivations (economic benefits, lack of product availability, lack of product quality, need for customization), and identity enhancement (craftsmanship, empowerment, community seeking, uniqueness).

The term "do-it-yourself" has been associated with consumers since at least 1912 primarily in the domain of home improvement...

Earth-centered religion or nature worship is a system of religion based on the veneration of natural phenomena. It covers any religion that worships the earth, nature, or fertility deity, such as the various forms of goddess worship or matriarchal religion. Some find a connection between earth-worship and the Gaia hypothesis. Earth religions are also formulated to allow one to utilize the knowledge of preserving the earth.

## Modern flat Earth beliefs

Anti-scientific beliefs in a flat Earth are promoted by a number of organizations and individuals. The claims of modern flat Earth proponents are not based on scientific knowledge and are contrary to over two millennia of scientific consensus based on multiple confirming lines of evidence that Earth is roughly spherical. Flat

Earth beliefs are classified by experts in philosophy and physics as a form of science denial.

Flat Earth groups of the modern era date from the middle of the 20th century; some adherents are serious and some are not. Those who are serious are often motivated by religion or conspiracy theories. Through the use of social media, flat Earth theories have been increasingly espoused and promoted by individuals unaffiliated with larger groups. Many believers make use of social...

Earth to Ned is an American television show on Disney+. It stars Ned, an alien from outer space who comes to Earth on a mission to invade it. Upon arriving, he fell in love with its pop culture, and instead hosts a late night talk show to meet and be entertained by Earth's celebrities. Earth to Ned premiered on September 4, 2020, on Disney+ and consisted of ten episodes. Ten more episodes were released on January 1, 2021. The series was removed from Disney+ on May 26, 2023.

Superman: Earth One

*to Earth but does not reveal his identity and purpose. He issues an ultimatum: Earth will be destroyed if someone Tyrell has been looking for does not*

Superman: Earth One is a series of graphic novels written by J. Michael Straczynski and illustrated by Shane Davis. The series is a modernized re-imagining of DC Comics' long-running Superman comic book franchise as the inaugural title of the company's Earth One imprint. Earth One's Superman exists with other revamped DC characters in Earth One titles, including Batman: Earth One and Wonder Woman: Earth One, as well as other graphic novels.

The first volume was published in the US in October 27, 2010 by DC Comics, and in the UK in 2011 by Titan Books. Superman: Earth One Volume Two was released on October 31, 2012. Superman: Earth One Volume Three was released on February 4, 2015, with Ardian Syaf illustrating the book instead of Davis.

"Crisis on Earth-X" is the fourth Arrowverse crossover event, featuring episodes of Supergirl, Arrow, The Flash, and Legends of Tomorrow on The CW. The crossover began on November 27, 2017, with Supergirl and Arrow, and concluded on November 28, with The Flash and Legends of Tomorrow. In the crossover, Barry Allen and Iris West's friends visits Central City for their wedding, only for the ceremony to be interrupted by interlopers from the parallel universe of Earth-X, where the Axis powers claimed victory in World War II.

Development for a crossover of the four series began in December 2016 after the release of the previous crossover, "Invasion!". The premise and title of the crossover were revealed in September 2017 as production on the episodes began; elements from then upcoming animated...

The Batman of Earth-Two is an alternate version of the superhero Batman, who appears in American comic books published by DC Comics. The character was introduced after DC Comics created Earth-Two, a parallel world that was retroactively established as the home of characters whose adventures had been published in the Golden Age of comic books. This provided justification within the fictional world of Batman stories for DC Comics publishing Batman comic books that disregarded the character's Golden Age stories, as Batman had been presented as a single ongoing incarnation of the character since his earliest stories were published.

## Battlefield Earth (film)

Battlefield Earth is a 2000 American science fiction film directed by Roger Christian from a script by Corey Mandell and J. David Shapiro. Based on the 1982 novel of the same name by Scientology founder L. Ron Hubbard, Battlefield Earth is set in the year 3000 and follows a human rebellion against the "Psychlos", a tyrannical alien species that has ruled Earth for a thousand years. John Travolta, who produced the film, stars as main antagonist Terl alongside Barry Pepper and Forest Whitaker.

Hubbard himself had campaigned for a Hollywood adaptation of his novel since its publication, asking support before his death in 1986 from Scientologist figures in the industry, including Travolta. After the financial and critical success of 1994's Pulp Fiction revitalized Travolta's career, he decided...
