Torn (Ednaswap song)

"Torn" is a song written by Scott Cutler, Anne Preven—who composed all of the lyrics—and Phil Thornalley in 1991 as a solo song for Preven. It was recorded

"Torn" is a song written by Scott Cutler, Anne Preven—who composed all of the lyrics—and Phil Thornalley in 1991 as a solo song for Preven. It was recorded and performed live during this period, but not given its first formal release until 1993, when Danish singer Lis Sørensen released the song in Danish under the title "Brændt" ([pʰænʔt], meaning 'burnt').

Cutler and Preven formed an alternative rock band, Ednaswap, in 1993. Ednaswap gave "Torn" its first formal English-language release in 1995, where it was released as a single from their self-titled debut. Later, in 1996, the first English-language cover, by American-Norwegian singer Trine Rein, was produced and released.

The best known version of "Torn" is sung by Australian singer Natalie Imbruglia, who covered it for her 1997 debut single...

Cecilia Törn (born 13 February 1994) is a Finnish former competitive ice dancer. With Jussiville Partanen, she is the 2015 International Cup of Nice champion, the 2017 Ice Challenge champion, and a three-time Finnish national champion (2016–2018). They won bronze at three ISU Challenger Series events and competed in the final segment at four ISU Championships.

Söder Torn

South Tower (Swedish: "Söder Torn") is a high-rise building located on Fatburstrappan 18, next to Fatbursparken on Södermalm in Stockholm. The building

South Tower (Swedish: "Söder Torn") is a high-rise building located on Fatburstrappan 18, next to Fatbursparken on Södermalm in Stockholm. The building has a height of about 86 metres (282 ft) above the ground including the "crown" and consists of 25 floors. The Söder Torn complex contains three additional buildings, including one that abuts Medborgarplatsen. Collectively, the buildings contain 172 condominium apartments and 5 businesses. The South Tower itself has 85 apartments and one business. A garage contains parking for both cars and motorcycles.

Torn Arteries

Torn Arteries is the seventh studio album by English extreme metal band Carcass. It was released on 17 September 2021. Named after a demo tape recorded

Torn Arteries is the seventh studio album by English extreme metal band Carcass. It was released on 17 September 2021. Named after a demo tape recorded by former Carcass drummer Ken Owen during his teenage years, this is the band's first album in eight years after its predecessor Surgical Steel (2013). It also marked the first time since 1993's Heartwork that Carcass had recorded more than one album with the same lineup – with bassist/vocalist Jeff Walker, guitarist Bill Steer and drummer Daniel Wilding, and the first to not feature Owen in any capacity. Torn Arteries was initially scheduled to be released on 7 August 2020, but the COVID-19 pandemic caused the album to be delayed for over a year.

Black Isle's Torn

Black Isle's Torn was a role-playing video game developed for Windows by Black Isle Studios, announced on March 22, 2001, and cancelled in July of that

Black Isle's Torn was a role-playing video game developed for Windows by Black Isle Studios, announced on March 22, 2001, and cancelled in July of that year. The game was to use a modified version of the SPECIAL role-playing system, which had been implemented in the Fallout series. Developed on various editions of the Littech engine, Torn possessed features unseen in previous Black Isle Studios games, such as 3D graphics and real-time camera movement.

In Torn, the player assumed the role of a wanderer, who was cursed to bring misfortune to people and places around it. Under a king's orders, the player undertook quests to clarify a series of conflicting prophecies. Unlike several other Black Isle Studios games, the game was to take place in an original world titled "Torn" instead of a traditional...

The Outlaw of Torn

The Outlaw of Torn is a historical novel by Edgar Rice Burroughs, taking place in 13th century England. The novel is primarily set during the Second Barons'

The Outlaw of Torn is a historical novel by Edgar Rice Burroughs, taking place in 13th century England. The novel is primarily set during the Second Barons' War (1264-1267). An adolescent outlaw joins the war on the side of the rebel leader Simon de Montfort and is romantically interested in de Montfort's daughter. The outlaw soon learns that he is a lookalike of the heir apparent Prince Edward (the future king Edward I of England), and eventually realizes that he is a long-lost son of Henry III of England. Prince Edward is the outlaw's brother, which explains why they resemble each other.

Originally published as a five-part serial in New Story Magazine from January to May 1914, and first published in book form by A. C. McClurg in 1927. It was Burroughs' second novel, his first being the science...
