Postcard

picture postcards and private picture postcards also exist. In Japan today, two particular idiosyncratic postcard customs exist: New Year's Day postcards (???)

A postcard or post card is a piece of thick paper or thin cardboard, typically rectangular, intended for writing and mailing without an envelope. Non-rectangular shapes may also be used but are rare.

In some places, one can send a postcard for a lower fee than a letter. Stamp collectors distinguish between postcards (which require a postage stamp) and postal cards (which have the postage pre-printed on them). While a postcard is usually printed and sold by a private company, individual or organization, a postal card is issued by the relevant postal authority (often with pre-printed postage).

Production of postcards blossomed in the late 19th and early 20th centuries. As an easy and quick way for individuals to communicate, they became extremely popular. The study and collecting of postcards...

A lynching postcard is a postcard bearing the photograph of a lynching—a vigilante murder usually motivated by racial hatred—intended to be distributed, collected, or kept as a souvenir. Often a lynching postcard would be inscribed with racist text or poems. Lynching postcards were in widespread production for more than fifty years in the United States, although their distribution through the United States Postal Service was banned in 1908.

Postcards from the Boys is a book by Ringo Starr released in 2004. It features reproductions of postcards sent to Starr by the other three members of the Beatles, along with his commentary. The postcards range from the mid-1960s to the 1990s.

The first printing was a limited, signed collector's edition of 2,500 copies, with proceeds going to charity.

According to a review in The Guardian, the cards are of pop cultural interest "not least for the glimpses they afford of each of the Beatles' characters. Paul is the most informative, George the most oblique, Lennon the most sarcastic and surreal." A review in The New York Times stated: "The postcards in the book are often amusing, sometimes touching and occasionally trite. But in their whimsy, they offer a fresh, unfiltered look at the goings..."

Postcards from the Edge is the debut novel by the American actress and writer Carrie Fisher, first published in 1987. Based on Fisher's own experiences of fame and substance abuse, the semi-autobiographical novel was later adapted by Fisher herself into a motion picture of the same name, which was directed by Mike Nichols and released by Columbia Pictures in 1990.

Fisher wrote a sequel to the novel, *The Best Awful There Is*, which was published in 2004.
