Intro

Heely - Flyquest's handling of the Bwipo situation was horrible

Jackson RC - Midlane IS the weakest role in the LTA

Marn - I never want to see regular season formats ever again. More tournaments!

Lemur - Wasd is the best thing to come to league of legends

Quill - The attempts to make NA fans aware of **LTA**, Sul ...

Bazbal - the **LTA**, could have succeeded if they created ...

Mastergen-When 100T dissolves I dont want quid or river to go to TL, i rather see them at SR i dont want river at C9. DSG will be better next split 100%.

Kon - changing NA pro schedule to have a similar schedule to LPL or LCK will only make it harder to gain fans and will actually push more away

Ares - Dignitas needs to be removed from the league effective immediately and have their slot given to DSG

Radley - There's a super team made up of **LTA**, N and ...

Mhakey - **LTA**, is literally the worse thing to ever happen ...

... I feel like there should be a new face of the **LTA**./LCS, ...

Right3ous - Riot's obsession with the monopoly of their product is what killed sponsorship opportunities and now they are forced to take Saudi/gambling money.

Tarquinia - I don't support what Bwipo said about women. I think it was dumb and showed lack of basic understanding, but I think many people are judging his character too harshly now.

Buni - the FANDOM needs to be held accountable. Enjoyers must be posting and talking about esports.

Kento - 100T winning finals/getting 1st seed would be bad for America's chance at Worlds.

Postmaster - Misogyny in league goes beyond the Bwipo situation and needs to be held accountable, you don't know what you don't know though, ignorance isn't an excuse but need people in their circle to do that
