His cold eyes and a steely glare that could kill a spider on the spot. Many believed that he has been possessed by demons and attending demonic sessions. When he asked you a question, he would move his head to one side and ask weird questions and shout and scream. I would work my ass off to get clients not only for me but also for his business. He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising. On top of it, the receptionist did everything she could to repel any good client and kept offering them her own services. She was grimacing on virtually all clients. Despite all of this, I kept working hard, did cold calling every day and invested my own money on getting the leads and draining my savings account. I couldn't sleep at night from all the mental abuse and physical exhaustion. Also, at that time I had a crush on a guy who promised me collaboration and promotion of my business. Of course, it didn't happen and worse than that, he chose to help a prostitute get some work and promotion. I had nobody to turn to so I turned to alcohol for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I felt no hope and didn't know how to get out of the black magic possession. One morning when I woke up in pain and covered in blood and emotionally, spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW! I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I DID. Who does that? YOU DO. Up to your eyeballs in debt and pain. Just to have your name on the business window. The SS spiritual guru had a diamond ring. I called it a \"blood diamond\". Because I knew every bit of the blood, sweat, and tears it took to get new clients for the business. He would twist that ring around his finger the whole time he leered at me and talked down to you. I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book SWITCHWORDS MIRACLES and my other books REALITY CREATION SECRETS, REALITY CREATION QUOTES. Spending thousands of pounds on the law of attraction training and books did not work. Applying ancient knowledge from my books and choosing my own preferred reality did work. In 6 weeks I went from 15-2- leads per week to 50-100 per week. And I went from chasing and begging the clients to actually clients chasing and begging me to get an appointment. And from then my life has completely changed because now I have multiple thriving online businesses and have a partner who loves me, adores me and is very proud of me. I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book. My services are in high demand and have a client waiting list.
