Bravely Default, known in Japan as Bravely Default: Flying Fairy, is a 2012 role-playing video game developed by Silicon Studio and published by Square Enix for the Nintendo 3DS. It was originally released in 2012 and later rereleased as an expanded edition in 2013 subtitled For the Sequel in Japan. For the Sequel was later released in Europe, Australia, and North America in 2014 simply titled as Bravely Default and published by Nintendo in said regions. The gameplay uses a turn-based battle system and job system, in addition to incorporating options to combine job abilities and adjust battle speed and random encounter rates. A high-definition remaster developed by Cattle Call, titled Bravely Default Flying Fairy HD Remaster, was released as a launch title for Nintendo Switch 2 in 2025.

Brave Fencer Musashi (????????, Bureivu Fens? Musashiden; "Brave Fencer: The Legend of Musashi") is an action platform video game developed and published by Square in 1998 for the PlayStation home console. The game involves real-time sword-based combat in a 3D environment; it also features segments of voiced over dialogue and role-playing game elements such as a day-night cycle and resting to restore energy.

The story follows Musashi, a young swordsman who is summoned to a parallel world to defend the Allucaneet Kingdom from the Thirstquencher Empire. He searches for the Five Scrolls, which can enhance the powers of his sword, while interacting with people from Allucaneet and a nearby village.

Development began in early 1997, and was directed by Yoichi Yoshimoto, produced by Yusuke Hirata...

The Brave series (Japanese: ?????, Hepburn: Y?sha Shir?zu) is a Japanese toy and anime franchise originally produced by Sunrise (now the primary division of Bandai Namco Filmworks), Nagoya TV, Victor Entertainment and Tokyu Agency, originally created by Takara (now Takara Tomy). The franchise ran from 1990s to 2000s, producing eight official series and several side media including Original Video Animations (OVAs), toys, and several memorabilia in Japan. It was one of Sunrise's most notable productions in the 90s, and its run played a key role in the reintroduction of the Super Robot genre to the Japanese mainstream.

As of 2022, the rights to the series were now owned by Bandai Namco Filmworks, following the 1993 acquisition of Sunrise, who produced and animated the series.
