Special edition

The terms special edition, limited edition, and variants such as deluxe edition, collector's edition or expanded edition are used as a marketing incentive

The terms special edition, limited edition, and variants such as deluxe edition, collector's edition or expanded edition are used as a marketing incentive for various kinds of products, originally published products related to the arts, such as books, prints, recorded music and films, and video games, but now including clothing, cars, fine wine, and whisky, among other products. A limited edition is restricted in the number of copies produced, although in fact the number may be very low or very high. Suzuki (2008) defines limited edition products as those "sold in a state that makes them difficult to obtain because of companies limiting their availability to a certain period, quantity, region, or channel". A special edition implies there is extra material of some kind included. The term is...

CONMEBOL Sub 17

the newly created FIFA U-16 World Cup (now the FIFA U-17 World Cup). For the first three editions (1985, 1986, and 1988), the competition was limited to

The CONMEBOL Sub 17 is a South American football tournament organized by the CONMEBOL for South American national teams of men under age of 17. The tournament was born in 1985 out of a need for a classification tournament for the newly created FIFA U-16 World Cup (now the FIFA U-17 World Cup). For the first three editions (1985, 1986, and 1988), the competition was limited to players under the age of 16. Afterwards, the age limit was raised one year. The tournament is held every two years. Since the first edition, Brazil has been the dominant force of the tournament, winning a record thirteen times.

Street Fighter II: Champion Edition

Street Fighter II: Champion Edition, released as Street Fighter II Dash (stylized as Street Fighter II? with a prime symbol) in Japan, is a 1992 fighting

Street Fighter II: Champion Edition, released as Street Fighter II Dash (stylized as Street Fighter II? with a prime symbol) in Japan, is a 1992 fighting game developed and published by Capcom for arcades. It is the first of several updated versions of Street Fighter II (1991), and part of the Street Fighter series. The main changes are the addition of the four grand masters (the final four computer-controlled opponents in the single-player mode) as playable characters and mirror matches. The fighting techniques of the eight main characters from the original game were further balanced for competitive play.

Champion Edition was followed several months later by Street Fighter II: Hyper Fighting.

Encyclopædia Britannica Eleventh Edition

The Encyclopædia Britannica Eleventh Edition (1910–1911) is a 29-volume reference work, an edition of the Encyclopædia Britannica. It was developed during

The Encyclopædia Britannica Eleventh Edition (1910–1911) is a 29-volume reference work, an edition of the Encyclopædia Britannica. It was developed during the encyclopaedia's transition from a British to an American publication. Some of its articles were written by the best-known scholars of the time. This edition of the encyclopaedia, containing 40,000 entries, has entered the public domain and is readily available on the Internet. Its use in modern scholarship and as a reliable source has been deemed problematic due to the outdated nature of some of its content. Nevertheless, the 11th edition has retained considerable value as a time capsule of scientific and historical information, as well as scholarly attitudes of the era immediately preceding World War I.

Morning Edition

Morning Edition is an American radio news program produced and distributed by NPR. It airs weekday mornings (Monday through Friday) and runs for two hours

Morning Edition is an American radio news program produced and distributed by NPR. It airs weekday mornings (Monday through Friday) and runs for two hours, and many stations repeat one or both hours. The show feeds live from 5:00 to 9:00 a.m. ET, with feeds and updates as required until noon. The show premiered on November 5, 1979; its weekend counterpart is Weekend Edition. Morning Edition and All

Things Considered are among the highest rated public radio shows.

The show was hosted by Bob Edwards from its inception until it was retooled for a two-anchor format in 2004 with the introduction of Steve Inskeep and Renée Montagne. Montagne left the show in 2016, and was replaced by Rachel Martin, who stepped down from daily hosting in early 2023. Four regular anchors, including Inskeep, currently...
