

Infinity

Infinity

Infinity is something which is boundless, endless, or larger than any natural number. It is denoted by ∞ , called the infinity

Infinity is something which is boundless, endless, or larger than any natural number. It is denoted by ∞

∞

, called the infinity symbol.

From the time of the ancient Greeks, the philosophical nature of infinity has been the subject of many discussions among philosophers. In the 17th century, with the introduction of the infinity symbol and the infinitesimal calculus, mathematicians began to work with infinite series and what some mathematicians (including l'Hôpital and Bernoulli) regarded as infinitely small quantities, but infinity continued to be associated with endless processes. As mathematicians struggled with the foundation of calculus, it remained unclear whether infinity could be considered as a number or magnitude and...

Infinity symbol

The infinity symbol (∞) is a mathematical symbol representing the concept of infinity. This symbol is also called a lemniscate, after the lemniscate curves

The infinity symbol (∞) is a mathematical symbol representing the concept of infinity. This symbol is also called a lemniscate, after the lemniscate curves of a similar shape studied in algebraic geometry, or "lazy eight", in the terminology of livestock branding.

This symbol was first used mathematically by John Wallis in the 17th century, although it has a longer history of other uses. In mathematics, it often refers to infinite processes (potential infinity) but may also refer to infinite values (actual infinity). It has other related technical meanings, such as the use of long-lasting paper in bookbinding, and has been used for its symbolic value of the infinite in modern mysticism and literature. It is a common element of graphic design, for instance in corporate logos as well as in earlier...

Infinity, Inc.

Infinity, Inc. is a team of superheroes appearing in American comic books published by DC Comics. The first incarnation is mostly composed of the children

Infinity, Inc. is a team of superheroes appearing in American comic books published by DC Comics.

The first incarnation is mostly composed of the children and heirs of the Justice Society of America (JSA), making them the Society's analogue to the Teen Titans. Created by Roy Thomas, Jerry Ordway, and Mike Machlan, Infinity, Inc. first appears in All-Star Squadron #25 (September 1983). There is also an eponymous comics series starring the group that ran from March 1984 through June 1988.

The second incarnation was formed by Lex Luthor.

The third incarnation was formed by Steel.

Infinity Blade

Infinity Blade was an action role-playing game developed by Chair Entertainment and Epic Games and released through the Apple App Store on December 9,

Infinity Blade was an action role-playing game developed by Chair Entertainment and Epic Games and released through the Apple App Store on December 9, 2010. It was the first iOS video game to run on Unreal Engine 3. In the game, the unnamed player character fights a series of one-on-one battles in a derelict castle to face the immortal God King. When in battle, players swipe the screen to attack and parry, and tap the screen to dodge and block enemy attacks. Upon defeat, the player restarts the game as the character's descendant with the same items and experience level.

The game was developed by a team of twelve people, who took two months to make a playable demo and three more to finish the game. Infinity Blade was intended to demonstrate the new iOS version of the Unreal Engine, and to combine...

Infinity Gems

The Infinity Gems (originally referred to as Soul Gems and later as Infinity Stones) are six fictional gems appearing in American comic books published

The Infinity Gems (originally referred to as Soul Gems and later as Infinity Stones) are six fictional gems appearing in American comic books published by Marvel Comics, named after and embodying various aspects of existence. The gems can grant whoever wields them various powers in accordance to the aspect of existence they represent, and have the potential of turning the wielder into a god-like being when the main six (Mind, Power, Reality, Soul, Space, and Time) are held together. Thus, they are among the most powerful and sought-after items in the Marvel Universe; playing important roles in several storylines, in which they were wielded by characters such as Thanos and Adam Warlock. Some of these stories depict additional Infinity Gems or similar objects. Although the Infinity Gems altogether...

Point at infinity

In geometry, a point at infinity or ideal point is an idealized limiting point at the "end" of each line. In the case of an affine plane (including the

In geometry, a point at infinity or ideal point is an idealized limiting point at the "end" of each line.

In the case of an affine plane (including the Euclidean plane), there is one ideal point for each pencil of parallel lines of the plane. Adjoining these points produces a projective plane, in which no point can be distinguished, if we "forget" which points were added. This holds for a geometry over any field, and more generally over any division ring.

In the real case, a point at infinity completes a line into a topologically closed curve. In higher dimensions, all the points at infinity form a projective subspace of one dimension less than that of the whole projective space to which they belong. A point at infinity can also be added to the complex line (which may be thought of as the...

Avengers: Infinity War

Avengers: Infinity War is a 2018 American superhero film based on the Marvel Comics superhero team the Avengers. Produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures, it is the

sequel to *The Avengers* (2012) and *Avengers: Age of Ultron* (2015), and the 19th film in the Marvel Cinematic Universe (MCU). Directed by Anthony and Joe Russo and written by Christopher Markus and Stephen McFeely, the film features an ensemble cast including Robert Downey Jr., Chris Hemsworth, Mark Ruffalo, Chris Evans, Scarlett Johansson, Benedict Cumberbatch, Don Cheadle, Tom Holland, Chadwick Boseman, Paul Bettany, Elizabeth Olsen, Anthony Mackie, Sebastian Stan, Danai Gurira, Letitia Wright, Dave Bautista, Zoe Saldana, Josh Brolin, and Chris Pratt. In the film, the Avengers and the Guardians...

Disney Infinity

Disney Infinity is an action-adventure sandbox toys-to-life video game series developed by Avalanche Software. The setting of the series was a giant customizable

Disney Infinity is an action-adventure sandbox toys-to-life video game series developed by Avalanche Software. The setting of the series was a giant customizable universe of imagination, known as the Toy Box, populated with toy versions of iconic Disney, Pixar, Marvel and Star Wars characters.

As Avalanche Software was closed down on May 11, 2016, Disney announced that the franchise would be retired, despite some sources stating that there were some major plans in place to keep the series alive, and the presence of numerous new characters and playsets previously planned. (Avalanche Software has since reopened under Warner Bros. Interactive Entertainment.) However, "Gold Editions" of the three games in the series were released for Microsoft Windows (via Steam) on December 9, 2016, which contain...

The Infinity Gauntlet

The Infinity Gauntlet is an American comic book storyline published by Marvel Comics. In addition to an eponymous, six-issue limited series written by

The Infinity Gauntlet is an American comic book storyline published by Marvel Comics. In addition to an eponymous, six-issue limited series written by Jim Starlin and pencilled by George Pérez and Ron Lim, crossover chapters appeared in related comic books. Since its initial serialization from July to December 1991, the series has been reprinted in various formats and editions.

The series' events are driven by Thanos, a nihilist character created for Marvel by Starlin in 1973. When Starlin began writing *Silver Surfer* in 1990, he and Lim began a new plot with Thanos that developed over sixteen monthly issues and a spin-off limited series before concluding in *The Infinity Gauntlet*. Pérez was brought in to draw *The Infinity Gauntlet* because he had more name recognition among fans and because Lim...

Infinity Stones

The Infinity Stones are fictional items in the Marvel Cinematic Universe (MCU) media franchise, based on the Infinity Gems of the Marvel Comics. As expounded

The Infinity Stones are fictional items in the Marvel Cinematic Universe (MCU) media franchise, based on the Infinity Gems of the Marvel Comics. As expounded across several interwoven MCU multimedia titles, the six Infinity Stones are reputed to embody and control essential aspects of existence—Space, Mind, Reality, Power, Time, and Soul—thereby making them critical artifacts in the MCU.

Thanos sets out to collect all six Stones to use them to wipe out half of all life in the universe, believing that his plan will save it from extinction. In 2018, Thanos accomplishes his goal and snaps his fingers while wearing the Infinity Gauntlet containing the Stones, causing the Blip. Thanos eventually uses the Stones again to destroy them and five years later, the surviving Avengers form a plan to go...
