This Is a Fix is the second album by Wales-based band The Automatic. It was released on 25 August 2008. The band worked with producer Don Gilmore in Los Angeles, but were disappointed with these sessions, and instead worked with Butch Walker at Sage and Sound Recording in Los Angeles then back in Cardiff with Richard Jackson and London with Stephen Harris.

The Automatic began work in 2006 on the follow-up to previous album Not Accepted Anywhere, however after the departure of Alex Pennie and addition of Paul Mullen, the completed recordings of such songs as "Steve McQueen" and "Revolution" - which featured Pennie providing synths and vocals - were shelved and later re-recorded with Mullen. Writing took place sporadically - with songs originating from both before and after Mullen's joining....

around a problem. "I've kludged around it for now, but I'll fix it up properly later." This Jargon File entry notes that kludge apparently derives via

A kludge or kluge () is a workaround or makeshift solution that is clumsy, inelegant, inefficient, difficult to extend, and hard to maintain. Its only benefit is that it rapidly solves an important problem using available resources. A famous example is the improvised CO2 scrubber that kept the astronauts alive on Apollo 13. This term is used in diverse fields such as computer science, aerospace engineering, Internet slang, evolutionary neuroscience, animation and government. It is similar in meaning to the naval term jury rig.
