Elite

In political and sociological theory, the elite (French: élite, from Latin: eligere, to select or to sort out) are a small group of powerful or wealthy

In political and sociological theory, the elite (French: élite, from Latin: eligere, to select or to sort out) are a small group of powerful or wealthy people who hold a disproportionate amount of wealth, privilege, political power, or skill in a group. Defined by the Cambridge Dictionary, the "elite" are "the richest, most powerful, best-educated, or best-trained group in a society".

American sociologist C. Wright Mills states that members of the elite accept their fellows' position of importance in society. "As a rule, 'they accept one another, understand one another, marry one another, tend to work, and to think, if not together at least alike'." It is a well-regulated existence where education plays a critical role.

The Elite is a villainous professional wrestling stable appearing in the American professional wrestling promotion All Elite Wrestling (AEW). The group consists of co-leaders The Young Bucks (Matt Jackson and Nick Jackson) and Jack Perry.

The Elite was originally formed in January 2016 by Kenny Omega and the Young Bucks as a trio acting as a sub-group within Bullet Club, a larger stable of which Omega was the leader. Together, the trio captured the NEVER Openweight 6-Man Tag Team Championship twice later that year, but continued their alliance beyond that point, with The Young Bucks notably acting as valets for Omega in his singles career. Other titles won by members as part of the stable include the IWGP Heavyweight Championship, IWGP Intercontinental Championship, IWGP United States Heavyweight...

Elite Dangerous is an online space flight simulation game developed and published by Frontier Developments. The player commands a spaceship and explores a realistic 1:1 scale, open-world representation of the Milky Way galaxy, with the gameplay being open-ended. The game is the first in the series to attempt massively multiplayer gameplay, with players' actions affecting the narrative story of the game's persistent universe, while also retaining a single-player mode. Elite Dangerous is the fourth game in

the Elite video game series. It is the sequel to Frontier: First Encounters, released in 1995.

By November 2012, Frontier began a Kickstarter campaign for ED due to the inability to secure a publisher. The game was released by Frontier for Windows in December 2014, with the macOS version later...

Elite Model Management

Elite theory

In philosophy, political science and sociology, elite theory is a theory of the state that seeks to describe and explain power relations in society. In

In philosophy, political science and sociology, elite theory is a theory of the state that seeks to describe and explain power relations in society. In its contemporary form in the 21st century, elite theory posits that power in larger societies, especially nation-states, is concentrated at the top in relatively small elites; that power "flows predominantly in a top-down direction from elites to non-elites"; and that "the characteristics and actions of elites are crucial determinants of major political and social outcomes".

The concept of the "elite" in this context goes beyond politicians or other leaders who wield the formal power of the state. Through positions in corporations, influence over policymaking networks, control over the financial support of foundations, and positions with think...

Elite Xtreme Combat, also known as EliteXC, was a United States–based mixed martial arts (MMA) organization owned and operated by ProElite. It was founded as a partnership between Showtime Networks and ProElite and officially announced on December 14, 2006. It was headquartered in Los Angeles.

The partnership to form EliteXC was announced on November 13, 2006. The first major event occurred February 10, 2007, at the DeSoto Civic Center in Southaven, Mississippi. Fighters Frank Shamrock and Renzo Gracie fought in the main event. Also debuting on this card was Charles Bennett, K. J. Noons, Mike Pyle and Antônio Silva.

In early 2008, EliteXC had reached an agreement with CBS to broadcast EliteXC shows on prime time. The arrangement was that CBS would broadcast EliteXC specials every other month...

Elite Squad

Elite Squad (Portuguese: *Tropa de Elite*, pronounced [ˈtɾɔpɐ dʁi ɛˈlitʃi] lit. "Elite Corps";) is a 2007 Brazilian crime film based on the novel *Elite*

Elite Squad (Portuguese: *Tropa de Elite*, pronounced [ˈtɾɔpɐ dʁi ɛˈlitʃi] lit. "Elite Corps") is a 2007 Brazilian crime film based on the novel *Elite da Tropa* by Luiz Eduardo Soares, André Batista, and Rodrigo Pimentel. Directed by José Padilha (from a screenplay by Padilha, Bráulio Mantovani, and Pimentel), the film stars Wagner Moura, Caio Junqueira, and André Ramiro, and tells the story of Roberto Nascimento (Moura), a captain with the Batalhão de Operações Policiais Especiais, or BOPE ("special police operations battalion"), who leads a police crackdown on a series of Rio de Janeiro favelas in preparation for the Brazilian state visit of Pope John Paul II.

Inspired by the Military Police of Rio, and their related arms, *Elite Squad* is the second feature and first film by Padilha, after...

Frontier: Elite II is a space trading and combat simulator video game written by David Braben and published by GameTek and Konami in October 1993 and

Frontier: Elite II is a space trading and combat simulator video game written by David Braben and published by GameTek and Konami in October 1993 and released on the Amiga, Atari ST and DOS. It is the first sequel to the seminal game *Elite* from 1984.

The game retains the same principal component of *Elite*, namely open-ended gameplay, and adds realistic physics and an accurately modelled galaxy.

Frontier: Elite II had a number of firsts to its name. It was the first game to feature procedurally generated star systems. These were generated by the game aggregating the mass of material within an early solar system into planets and moons that obey the laws of physics, but which have slightly randomised material distribution in order to ensure each system's uniqueness.

It was followed by *Frontier*...
