Absurd Stories

New Ten Year Program of Increases

General Staff

What Was a Master Plan and When Germany Lost the First World War a Number of German Generals Said We Would Have Won if I'M Only Von Latke Had Not Tinkered with What Was a Perfect Plan and I Think this Is Deeply Unfair if I'M Marco Inherited the Concept He Didn't Inherit a Fully Developed Plan and There Were Problems with It-Was Making a Number of Assumptions Which the Germans Simply Didn't Have Enough Force To Carry Out He Was Also Risking of Course Bringing Britain into the World because Belgium Was a Neutral Country and Its Neutrality Had Been Guaranteed by among Others Pressure Which Was Then Became Part of Germany and so the Germans Took On that Obligation and by Britain Itself but neither Schlieffen Normal Coup Seemed To Have Taken that Concern all That Seriously but What Maca Did

Was Move Part of the German Advance Was Going To Come through the Netherlands

There Was Also German General Who Said I Think Wisely You CanNot Carry Away the Arm Strength with Great Power like a Cat in the Bag if French Army or the French Army Surrendered Would that in Fact Be the End of the War It Hadn't Been the End of the War When the Germans Had Forced a French Surrender at Sudan in 1870 and French a Regulars Had Fought On and There Had Been for Germany and for France both a Rather Costly Low-Level Struggle Which Had Gone on the Germans Seemed Not To Have Planned

It Hadn't Been the End of the War When the Germans Had Forced a French Surrender at Sudan in 1870 and French a Regulars Had Fought On and There Had Been for Germany and for France both a Rather Costly Low-Level Struggle Which Had Gone on the Germans Seemed Not To Have Planned for along the War They Seem To Have Assumed that Defeat on the Battlefield and Dramatic Defeat on the Battlefield Would Leave France Lead Friendly France Lead France To Sue for Peace in September 1914 When Their Armies Had Won a Series of Victories

I Think There Was a Certain Recklessness in in Russian Military Planning That They Simply Felt that They Probably Had To Fight and There Was a Dangerous Feeling among some of the Top Leadership in Russia that the Regime Was Doomed unless They Showed Themselves To Be Active and that They May Be Doomed Anyway but At Least in the War Gave Them some Sort of Chance for Victory and Bringing the Country Together and Then You Had the British Plans Which Were Never Terribly Well Elaborated and the British Tended To Assume that the Navy Would Be the Most Important Arm in the War but Increasingly There Were these Talks

And I Think They Didn't Have the Backbone I Suppose One Could Say To Challenge that and So Europe with some of Its Best Brains Working on these Plans with Its Wonderful Technology with Its Superb Industrial Organization with Its Wonderful Communications Networks Went into War in 1914 Where all of these Things Helped To Produce a Stalemate There's a Lot of Debate about whether the Could Have Been Won in the First Few Months My Own Sense It Is Perhaps Wasn't Possible and They Found Themselves by the Late Autumn of 1914 Particularly on the Western Front Where the Distances Were Shorter in a Stalemate There's a Story Which I Think Is True that John Char as the Great French Socialist Who Was Assassinated on the Eve of the War as He Was Trying Desperately To Avert It Had Worked as a Young as a Man with a Young Army Captain

There's a Story Which I Think Is True that John Char as the Great French Socialist Who Was Assassinated on the Eve of the War as He Was Trying Desperately To Avert It Had Worked as a Young as a Man with a Young Army Captain like a Lot of Pacifist Jurors Took War Very Seriously and So He Worked with this Young Captain To Try and Understand What Wars Were What War Was about and They Drew Up a Book or the Series of Writings about What a Future Will Would Look like They Warned about a Stalemate the Young Captain Honore Girard Then Ended Up on the Western Front and He Was Sitting There Sometime in 1915 and a Friend Said Why Are You Staring into Space like this You Seem Very Lost in Thought and I Replied I Feel as though All this Is Familiar to Me Joe

2013 Hagey Lecture: Margaret MacMillan - Choice or Accident: The Outbreak of World War One - 2013 Hagey Lecture: Margaret MacMillan - Choice or Accident: The Outbreak of World War One 1 hour, 20 minutes - Thursday, September 19, 2013 at 8:00 pm in the Humanities Theatre, Hagey Hall.
