A paperback (softcover, softback) book is one with a thick paper or paperboard cover, also known as wrappers, and often held together with glue rather than stitches or staples. In contrast, hardback (hardcover) books are bound with cardboard covered with cloth, leather, paper, or plastic.

Inexpensive books bound in paper have existed since at least the 19th century in such forms as pamphlets, yellowbacks and dime novels. Modern paperbacks can be differentiated from one another by size. In the United States, there are "mass-market paperbacks" and larger, more durable "trade paperbacks". In the United Kingdom, there are A-format, B-format, and the largest C-format sizes.

Paperback editions of books are issued when a publisher decides to release a book in a low-cost format. Lower-quality paper...

Wisden Cricketers' Almanack

the softback and hardback editions. A yellow linen cover featuring the iconic woodcut by Eric Ravilious replaced the paper wrapper of the softback edition

Wisden Cricketers' Almanack, or simply Wisden, colloquially the Bible of Cricket, is a cricket reference book published annually in the United Kingdom. The description "Bible of cricket" (or variations thereof) has been applied to Wisden since the early 1900s.

Between 1998 and 2005, an Australian edition of Wisden was published. An Indian version, edited by Suresh Menon, was produced annually from 2013 to 2018, but discontinued following the publication of a combined 2019 and 2020 issue.

An Annotated Checklist of the Birds of the Oriental Region is a 1996 softback book published by the Oriental Bird Club, and authored by Tim Inskipp, Nigel Lindsey and Will Duckworth.

It contains a list of all 2,586 species recorded in the Oriental Bird Club's areas of operation up to the date of publication. This area approximates to that covered by the Oriental zoogeographical region, with the exception that for countries such as China and Pakistan which straddle the Oriental / Palearctic boundary, the whole country is included; those species which do not occur within the Oriental region, are however indicated, so the book also serves as a list for the zoogeographical region. Prior to the publication of this work, no such publication existed.

For its higher-level taxonomy, the book uses the...
