Evermore (stylized in all lowercase) is the ninth studio album by the American singer-songwriter Taylor Swift. It was surprise-released on December 11, 2020, through Republic Records. The player guides both characters through Evermore, a world composed of separate realms, each resembling a different period of real-world history: "Prehistoria" (prehistory), "Antiqua" (classical antiquity), "Gothica" (the Middle Ages), and "Omnitopia" (an imaginative future world).
