Comics.org. &quot;Marvel Super - This is a list of comics based on films. Often a film becomes successful, popular or attains cult status and the franchise produces spin-offs that may include comics. The comics can be direct adaptations of the film, a continuation of the story using the characters, or both.

Comics allow a degree of flexibility which can result in crossovers with other film characters as well as those from comics. In particular, the Aliens and Predator comics have crossed over with The Terminator, Superman, Batman, Judge Dredd and Green Lantern.

There are a number of companies that specialise in licensed properties, including Dark Horse, Titan, Avatar and Dynamite Entertainment. With the bigger series the license can often pass between a number of companies over the history of the title.

Something Special is a British children's television programme starring and presented by Justin Fletcher. It was created and produced by Allan Johnston. It is broadcast by the BBC, debuting on 1 September 2003. It is designed to introduce children to Makaton signing, and is specifically aimed at children with delayed learning and communication difficulties. It is aired on the CBeebies channel and is currently the longest running CBeebies programme and the longest running preschool series in Britain. In the past, it was also broadcast as part of the CBeebies programme strand on BBC One and BBC Two.

The name of the programme derives from the idea that all children, irrespective of their position on the learning spectrum, are special. The format of the show has evolved considerably since the original...
