MTV Unplugged is an American television series on MTV. It showcases recorded live performances of popular music artists playing acoustic or "unplugged" variations of songs. The show aired regularly from 1989 to 1999. From 2000 to 2009, it aired less frequently and was usually billed as MTV Unplugged No. 2.0. Since 2009, MTV Unplugged specials have aired occasionally, sometimes through online or subscription only. Episodes and specials have tended to showcase one artist or group, playing a combination of their hit songs and covers.

Many of the artists who appeared on the show in the 1990s released their Unplugged session as an album, and some of these albums were commercial and critical hits. Eric Clapton's Unplugged (1992) sold 26 million copies worldwide and became the best-selling live album...

MTV Unplugged in New York is the first live album by the American rock band Nirvana, released by DGC Records on November 1, 1994, nearly seven months after the suicide of Kurt Cobain. It was part of the cable television series MTV Unplugged and features a mostly acoustic performance. It was recorded at Sony Music Studios in Hell's Kitchen, Manhattan, on November 18, 1993.

The show was directed by Beth McCarthy and aired on the cable television network MTV on December 16, 1993. In a break with MTV Unplugged tradition, Nirvana used some electric amplification and effects, and played mainly lesser-known material and covers, with performances of songs by the Vaselines, David Bowie, Lead Belly and Meat Puppets. They were joined by the rhythm guitarist Pat Smear and the cellist Lori Goldston, alongside...

Bjork on MTV: Unplugged & Live is an official DVD released by Björk on 9 February 2002. It features two complete MTV performances: the first show was recorded on MTV Unplugged in 1994 during the promotion of her album Debut and the second show was recorded on MTV Live in 1998 for the promotion of her album Homogenic. A cover of the track "My Funny Valentine" was performed on the MTV Unplugged performance but is not included on this DVD.

Fans were disappointed to find that both shows appear on the DVD as originally broadcast, with tracks cut short to fit into the syndicated slot. However, a fuller audio version of the MTV Unplugged performance appears on Debut Live, first released as part of the Live Box set in 2003 and later released separately in 2004. The DVD was re-released in 2003 to fix...
