A double CD released on Water Records in 2005, the album mainly contains work originally recorded in the seventies as potential material for a third album on Asylum Records. A combination of Sill's health and drug problems and lack of interest in the market prevented the completion of the album in the seventies but a renewed interest in her work led to the release of this set, which also includes film footage from 1973.

Joseph: King of Dreams is a 2000 American animated biblical musical drama film produced by DreamWorks Animation. The second film adaptation of the Bible from DreamWorks Animation and, to date, the only direct-to-video production they released, the film is an adaptation of the story of Joseph from the Book of Genesis in the Bible and serves as a prequel to the 1998 film The Prince of Egypt (as the biblical narrative of Joseph happens before that of Moses). Composer Daniel Pelfrey stated that the film was designed as a companion piece to The Prince of Egypt, noting that though "Joseph turned out to be very different than The Prince of Egypt, it was very challenging and rewarding".

Co-director Robert Ramirez has said that whilst the reviews for the film had "generally been very good" there was...

Pleasant Dreams is the sixth studio album by the American punk rock band Ramones, released on July 20, 1981, through Sire Records. While the band members wanted Steve Lillywhite to produce, Sire chose Graham Gouldman in an attempt to gain popularity with a well-known producer. The recording process brought about many conflicts between band members, most notably the strife between Joey Ramone and Johnny Ramone due to Johnny starting a relationship with Joey's girlfriend. There were also disputes about the overall direction of the album, with Johnny leaning towards hard rock and Joey towards pop punk. Ultimately, the album incorporated high production values and varying musical styles, straying from traditional punk rock on songs such as "We Want the Airwaves", "She's a Sensation" and "Come On...
