Manga (Japanese: マンガ; IPA: [maŋɡa]) are comics or graphic novels originating from Japan. Most manga conform to a style developed in Japan in the late 19th century, and the form has a long history in earlier Japanese art. The term manga is used in Japan to refer to both comics and cartooning. Outside of Japan, the word is typically used to refer to comics originally published in Japan.

In Japan, people of all ages and walks of life read manga. The medium includes works in a broad range of genres: action, adventure, business and commerce, comedy, detective, drama, historical, horror, mystery, romance, science fiction and fantasy, erotica (hentai and ecchi), sports and games, and suspense, among others. Many manga are translated into other languages.

Since the 1950s, manga has become an increasingly...

A manga artist, also known as a mangaka (Japanese: マンガ家), is a comic artist who writes and/or illustrates manga.

Most manga artists study at an art college or manga school or take on an apprenticeship with another artist before entering the industry as a primary creator. More rarely a manga artist breaks into the industry directly, without previously being an assistant. For example, Naoko Takeuchi, author of Sailor Moon, won a Kodansha Manga Award contest and manga pioneer Osamu Tezuka was first published while studying an unrelated degree, without working as an assistant.

A manga artist will rise to prominence through recognition of their ability when they spark the interest of institutions, individuals or a demographic of manga consumers. For example, there are contests which prospective...

The Bungeishunj? Manga Award (???????, Bungeishunj? Manga Sh?) was an annual award established in 1955 and given out by Bungeishunj? in Japan for gag, yonkoma, one-panel, and satirical manga. The award was also given out for works considered the magnum opus of manga creators.

Past winners of the award include J?ji Yamafuji, Makoto Wada, illustrations by Taku Furukawa, a picture book by Shinto Ch?, and parodies by Mad Amano. While the award was given out for illustration, picture books, parodies, and other similar works, the proliferation of the modern manga culture led to more manga artists receiving the awards in recent years.

Bungeishunj? stopped giving out the award in 2002.

Manga Entertainment

with some of Manga's titles like Ghost in the Shell being rereleased under the main Lionsgate banner. Manga Force: The Ultimate Collection "About Us"

Manga Entertainment was a producer, licensee, and distributor of anime in the United States and the United Kingdom. Originally founded in the UK in 1991, the UK branch became Funimation UK and Ireland in 2021, also currently known as Crunchyroll Ltd. since 2022, while its U.S. branch was absorbed into Starz Inc. (now owned by Lionsgate).

Despite its name, the company's principal business was the distribution of anime rather than manga, although they have published some manga (such as Crying Freeman) under the Manga Books imprint.
